

Wilkinson
Primary School

Learning at Home

Homework Dates

13th September

27th September

11th October

8th November

29th November

This term we are changing the format of homework tasks set for the children in EYFS and Year One. Homework will still continue to be due on the dates above. However, you will now be able to choose the way in which you support your child to continue their learning journey at home.

Every two weeks, we will contact you to inform you of the theme we have covered in school. You will then be able to support your child to use their new skills to complete a task at home. We have provided some ideas of how you may wish to record and share the homework with us.

You could choose from a:

- video
- photograph
- drawing
- collection of objects/items
- model
- collage
- painting
- parents comment e.g. if you have played iSpy, washed the car etc.
- or complete the specific task set by the teacher

Please hand in your homework to the class teacher on the homework dates above. Children will be rewarded with a sticker on their 'Homework Hero' card for completing their homework. One piece of homework will be selected on each date to be displayed in the school hall.

You can email photographs and videos to:

parents@wilkinsonprimaryschool.co.uk

**Please note, this email address is only for homework.
Any other communication needs to continue through
the school office.**
