

Wilkinson Primary School

Year 6 Curriculum Newsletter

How smashing were the Greeks?

This sheet will tell you a little about the work your child will be covering during the forthcoming term and how you maybe able to help.

Topic: Ancient Greece

Science: Living Things & Evolution

R.E: Investigation into Sikhs and the community

ICT: Creating a movie

You can help by:

Hearing your child read regularly and signing their record book to confirm the book has been read at home.

Stickers and a weekly prize draw are rewards given for reading records being signed!

Encourage your child to learn their weekly spellings.

Encourage your child to locate and find information about their topic work.

Make sure your child has their named, school PE kit in school at all times (shorts, white T-shirt and black pumps have to be worn). Sensible trainers will be allowed for outdoor sessions.

Objectives will include:

To learn about Ancient Greece, including how they lived and the impact they have had upon today's society

To learn how to locate human and physical features on a range of maps and globes.

To learn how to produce a short film.

To learn about how different faiths in our community worship, including Sikhism.

To learn about living things including micro-organisms and the role of evolution.

If you have any queries about any of the information included on this sheet, or any concerns about your child, please do not hesitate to contact the school via telephone or email.

Mr Bickford, Mrs Copson, Mrs Hammond, Mrs Hall and Miss Britain.
