Monday 16th December,

2024

Dear Parents,

I have organised a Workshop for the Science Ambassadors and their siblings (from Reception to Year 6) which will take place on Monday 13th January from 9am to 10:30am. The workshop will provide experiences that are fun, exciting and memorable and will develop the children's love of Science.

The workshop will be delivered by a very experienced STEM Ambassador who is used to entertaining and educating both adults and children. It would be brilliant if an adult from home could come and support your child/children with these fun activities and see how Primary School children develop their scientific skills and knowledge.

The session will be very practical and there will be a goodie bag to take home at the end. I do hope you will attend. Please be so kind as to fill in the form below so I can accommodate the correct number. Please note this event is unsuitable for pre-school children and there will only be room for one adult per family. Thanking you in advance.

Kind Regards

Mrs Bowen

Science Co-ordinator.

To Mrs Bowen,

I will/will not be able to attend the Science Family Workshop on Monday 13th January, 2025.

Signed: _____

Parent/Guardian of _____ Class _____
