

Wilkinson Primary School

Sports Premium Report 2021-22

This funding is to be used for PE and school sport and is ring-fenced subject to OFSTED framework and review.

Wilkinson Primary School uses the following rationale to ensure appropriate spending of the Sports Premium Grant:

- The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics.
- The increase and success in competitive school sports.
- How much more inclusive the physical education curriculum has become.
- The growth in the range of provisional and alternative sporting activities.
- The improvement in partnership work on physical education with other schools and other local partners.
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills.
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.
